What you are doing:

Expected Role:		Involves working with children?	
----------------	--	---------------------------------	--

Club Policies

Marlow Rowing Club is a registered charity, a company, and has under its care juniors and people with disabilities. It is therefore critical that anyone volunteering within the club is subject to the club's rules and policies. Members of MRC sign up to these as part of membership, but others (including parents, MWSH Social members or members of other MWSH clubs) do not.

If you are to volunteer with the club, you must sign up to our policies promise to comply with them. The policies cover safety, child protection, data protection, social media and other aspects of the club and can all be found at <http://www.marlowrowingclub.org.uk/downloads>

Declaration

- I have been given access to the club policies at the above link, and I will comply with them in my activities related to Marlow Rowing Club, Marlow Rowing Club Trading Ltd and the Marlow Watersports Hub building.
- Where any role involves contact with children, I understand that I may be asked to undertake checks (such as a DBS check) and that failing to undergo those checks (or failing them) may lead to me being excluded from MRC and the MWSH indefinitely.
- I consent to be subject to the MRC disciplinary process and understand that in lieu of excluding me from membership the club may exclude me from any volunteering activity and/or access to the club.
- I consent to the club holding my personal information for the purposes of (1) managing my volunteering activity, (2) keeping records of any activity/disciplinary activity with the club, (3) sending volunteer request and information and (4) if the consent box above is ticked, for sending me the club newsletter.
- In return for giving these statements, the club may provide me with access to club premises or systems and/or cover my activities with insurance and I will undertake volunteering activities and that is adequate and sufficient consideration for both parties to make this a binding contract between me and MRC.
